

**Hanahan Veterinary Newsletter**  
**January 2017 1<sup>st</sup> Edition**

Here at Hanahan Veterinary Clinic, we are always looking for better ways to connect with our clients, bond with our patients and educate the community. We are starting off the year with the first edition of our monthly newsletter. Each issue will include educational articles, perfect patients, fun facts and even games! We welcome and encourage you to not only read our monthly newsletter, but provide us with feedback, ideas and questions for upcoming issues. Please contact us via email, [frontdesk@hanahanvet.com](mailto:frontdesk@hanahanvet.com).

Hanahan Veterinary Clinic Offers a new way to help animals in our community. Hanahan Veterinary Clinic has enrolled in the AVMF Veterinary Care Charitable Fund. This program was created by the American Veterinary Medical Foundation (AVMF) to support veterinarians in offering low or no-cost services. This may include clients facing extraordinary hardships, as well as rescued animals from abuse and neglect. Hanahan Veterinary Clinic encourages community members to make tax-deductible charitable contributions to the AVMF Veterinary Care Charitable Fund at [AVMF.org/CARE](http://AVMF.org/CARE) or at our practice. To learn more about the remarkable veterinarians at Hanahan Veterinary Clinic and the work they do for the community, visit [Hanahanvet.com](http://Hanahanvet.com). For more information on the AVMF Veterinary Care Charitable Fund and other animal health and wellness

programs provided by the American Veterinary Medical Foundation, visit [AVMF.org](http://AVMF.org).

**Upcoming events**

- February: Dental Month, \$30 off the price of a dental. Next month's newsletter will explore the importance of pet dental care. Please feel free to contact our office for more details and to schedule your pets dental cleaning.

**The Holidays bring many joys and surprises, including new additions to the family. Making the transition can be less stressful with the proper training and tools. At Hanahan Veterinary Clinic, we strive to provide our clients and patients with the best resources. Included below is who we recommend to train our beloved furry family members. Bark Busters has compiled a list of warning signs that may require additional attention. This list has some common behaviors that can be addressed through proper behavioral modification training.**
